

THANKS TO THE MOTHER'S DAY OFFERING SUPPORTERS AND VOLUNTEERS

 The United Methodist Retirement Homes thanks the many church supporters and volunteers throughout the N. C. Conference of the United Methodist Church who supported the 2010 Mother's Day offering with their gifts. Through this offering we raised \$77,384 for the Benevolent Care Annual Fund. We also thank the Religious Life Association and the residents of Croasdaile Village for their contribution of \$13,000 and the Cypress Glen Spiritual Life Association and the residents of Cypress Glen for their contribution of \$4,387.

It is our pleasure to acknowledge the TOP TWENTY FIVE CHURCHES in our conference who raised significant amounts (over \$500) for this offering. This offering provides benevolent funds to independent and assisted living residents in our communities who can no longer fully pay their way.

\$100 A DAY

For \$100 a day your church can provide 1 day of care for a benevolent resident at our communities. So, if your church gives \$500 to the Mother's Day offering, your church will be providing 5 days of care. If your church gives \$50, your church will be providing 1/2 day of care. We realize all churches cannot give equally, that is why we appreciate each and every gift.

In 2010 52% of the churches in our conference participated in the Mother's Day Offering. If you did not participate in 2010, please consider making us a part of your giving in 2011

PARTNERSHIPS

In 2011, we would like for you to consider a partnership with us. We will come to your church and offer you programs and seminars. We can offer you meeting rooms at our communities for your special events and pastor's meetings. We can provide tours of our campuses and any number of activities that your church might need. We can be creative in our planning. You, in turn, support our Mother's Day offering for benevolent care.

Please call Beverley Pierpoint (919) 384-3006 or Cheryl Miller (919) 384-3005 if you have any questions.
